

# Job Description

## Livestream Producer

POSITION TITLE:

Livestream Producer

REPORTS TO:

Executive Producer

DIRECT REPORTS:

N/A

**About OutKick:**

*OutKick* is a fearless digital media property that provides an alternate voice to typical sports coverage to a growing national following. Recently acquired by Fox Corporation, the *OutKick* audience is growing exponentially across digital and social channels.

**You:**

*OutKick* is looking for a Livestream Producer to serve as the technical lead on daily, multi-hour livestream content and productions. You will be a multitasker who thrives under pressure to ensure deadlines are met. You have significant experience operating a video switcher in a live environment and understand the nuances of video and studio signal flow. You are able and confident in troubleshooting technical issues on the fly.

**Where:**

*OutKick* is headquartered in Nashville, TN. Ideally this position would be in the Nashville area, but we are willing to accept remote candidates.

**Additional Qualifications:**

- Must have a nuanced understanding of Audio signal flow and be comfortable mixing audio live.
- Must have excellent communication skills, and the ability to jump into a leadership role when needed.
- Proficiency with the Sony Alpha line of cameras.
- Experience and familiarity with RTMP streaming, and streaming hardware/software.
- Familiarity with LiveU, Zoom, and other IP based video communication tools.
- Ability to work in a highly dynamic, and potentially distracting environment.

**Not Required but Preferred:**

- Experience with Blackmagic Design switchers and studio equipment.
- Experience with Vimeo and Livestream Studio
- Knowledge and understanding of national and regional Sports topics.
- Experience in radio broadcasting.
